	<hr/>
	\$ 3,964.77

If the same standard is to be maintained in the schools another year without the help of the state, it will mean that there will need to be raised about \$1400 in excess of the \$3.50 tax which is the minimum amount required by law, or \$189.23 the amount allotted this year. To run the schools on less than is now being expended would necessitate lowering the standard. This is not real economy.

# Summary Sept. 1, 1920 to June 30 1921
